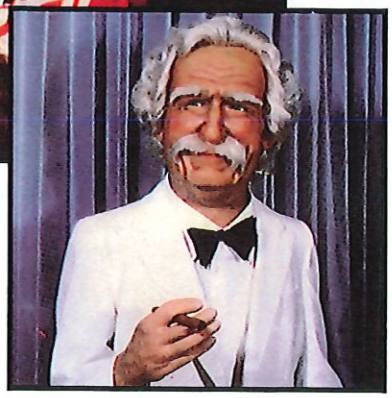
The Care Bear Show!

Care-A-Lot-Castle is the enchanted setting for The Care Bear Show. This fun-filled adventure offers sparkling, original, Disney-style music, six delightful Care Bears who appear and disappear via tracking and turntables, plus a story line with universal appeal. This show warms the heart and leaves the audience singing.

The cloud castle comes with rainbow slide, care meter, cloud car and pop-up flowers.

Each show includes a license from American Greetings for promotional and marketing use of the Care Bears: A tremendous marketing edge.



Daniel & The Dixie Diggers

What a group! These five lively hounds play swingin' Dixieland and old-time favorites. . .even rock 'n' roll.

There's Daniel T. Bones, who tickles the ivories and the ribs; Scratchmo of the golden trumpet; crusty Colonel Beau, who drums up a storm; "Lightnin' Fingers" Huck L. Berry, and red-hot clarinetist, Sir Percy.

In their free-standing gazebo or indoors, Daniel and the Dixie Diggers are great crowd pleasers. The remarkable Mark Twain (who sits and stands) adds his own inimitable touch in the two-stage version.

Bubba Bear and The Badland Band

The wild west returns! Foot-stompin' country-western music played by six of the most appealing characters who ever rode into town.

There's all-American cowboy Bubba Bear; ex-riverboat gambler Skeeter Kuhn; Chief Fulla Bull, teller of tall tales; Homer Honeydew, slow on the uptake but fast on the bass; little angel-voiced Miss Foxy; and drummer Bucky Beaver whose potions and lotions won't cure what ails you. But his antics will.

Jungle Jamboree

Swinging jungle rhythms and memorable soul music highlight this twenty-five character, seven-stage show. There's the inimitable Groucho, the virtuoso band, King and the Kool Kats, Tremblin' Lily, the Funky Monkey Revue, a tropical bird serenade, and much more.
